Christmas and The New Year are almost here! Are you ready? Are your pets ready? Everyone wants to look their best when friends and family come to visit for the holidays. Your pets are no exception. Now is the time to bring your pet in for a professional bath and hair cut. Our groomers will make him or her look stunning for all those holiday

gatherings. Normally, we strive to schedule grooming appointments within a day or two of your phone call. However, the holidays bring a much larger demand for grooming appointments. We encourage you to call earlier, rather than later, to insure that your furry friend makes it to the spa before the festivities begin.
